

Webinar 1: 6pm AEDT, Thursday 20 November 2014

Speaker: Dr Gary Deed, Chair, RACGP National Faculty of Specific Interests Diabetes Network

Objectives:

- To understand the important changes to the management guidelines
- To understand the medication algorithm
- To increase awareness of the evidence base that has helped to develop the management guidelines

Update of the General Practice Management of Type 2 Diabetes 2014-15

Webinar 2: 6pm AEDT, Thursday 27 November 2014

Speaker: Michelle Robins, Credentialed Diabetes Educator

Objectives:

- To develop analytical skills and confidence in managing people with type 2 diabetes on a case by case basis, with the patient at the centre of care
- To increase confidence in communicating with other health professionals in the diabetes care team and advocate for patients on an individual needs basis

Members of the Website Reference Group:

- Dr Gary Kilov, Member, RACGP National Faculty of Specific Interests Diabetes Network
- Jayne Lehmann, Credentialed Diabetes Educator
