

## Allied Health - Diabetes Educator

Great Ocean Road Health, Apollo Bay and Lorne are seeking a permanent part time Diabetes Educator to work 16 hours per fortnight across both campuses.

- Work for an organization that recently won the *Premiers Small Healthcare Service or the Year* at the Victorian Public Healthcare Awards 2024
- Live and work along the beautiful Surf Coast at Lorne
- Utilize your outstanding administration and people skills to support the Community Services Department

### **About Great Ocean Road Health**

Great Ocean Road Health serves the communities of Lorne, Apollo Bay, and the Surf Coast, providing high-quality, accessible healthcare close to home. Formed in 2019 through the integration of Lorne Community Hospital and Otway Health, we offer a range of services across our Lorne and Apollo Bay campuses. Our goal is to meet the growing healthcare needs of the community, ensuring sustainable, robust care for the future while maintaining local services and staff levels.

### **About the Role**

The Diabetes Educator provides high quality diabetes education, clinical management, and information and support to clients and staff. The role includes primary health care focused assessment, planning, early detection, referral, monitoring and maintenance and direct care to individuals, families and groups in relation to diabetes. The Diabetes Educator will also take an active role in the coordination and provision of health promotion activities.

### **Essential Education:**

- Bachelor's degree or higher in a health related field and completed a post graduate degree in diabetes education
- Credentialed or working towards accreditation by the Australian Diabetes Educators Association
- Current NDIS workers check

### **Desirable skills:**

- Self motivated and able to work without supervision
- Ability to act in an advisory role to management
- Proficiency in group therapy programs

### **About the Culture**

Working at Great Ocean Road Health gives you the opportunity to assist individuals, families and groups living, working and visiting rural communities with their health care needs, making for a rewarding and satisfying experience. Our team is strong and diverse and is supported and nurtured through continuous improvement programs and opportunities for professional development and growth.

### **Great Ocean Road Benefits**

- Work Along the Iconic Great Ocean Road Join Great Ocean Road Health and experience a rewarding career in one of Australia's most breathtaking coastal destinations, serving vibrant communities along the Surf Coast and Otway's
- Excellent working conditions with a high sense of job satisfaction
- A vibrant staff wellbeing program and access to our 24/7 Employee Assistance Program
- Wide range of professional development opportunities to enhance your career

- Attractive salary packaging benefits. Living expenses capped at \$9,010 and meals and entertainment capped at \$2,650
- Community Engagement - our health service encourages you to be actively involved in the community health education initiative and preventative care.

### Diversity and Inclusion

We believe in the power of diversity and inclusion. We celebrate the unique backgrounds, perspectives, and talents of our team members, fostering an environment where everyone feels valued and respected. Our commitment to diversity strengthens our ability to provide compassionate and equitable care to all individuals, regardless of their backgrounds, abilities and identities.

We are committed to providing positive employment opportunities and a workplace that promotes wellbeing, and welcomes applications from those who identify as an Australian Aboriginal and/or Torres Strait Islander person

We actively encourage individuals with disabilities and diverse backgrounds and identities to apply for our positions. Should you require any reasonable adjustments or support during the recruitment process, we are here to assist you every step of the way. We are strongly committed to the safety and wellbeing of all children and young people.
